## Accoras Announces New Board Chair

**BRISBANE 14/10/19 - Accoras is proud to announce the election of John Davidson as the new Board Chair.**

Last week our CEO Rebecca Culverhouse announced a new Board Chair, John Davidson, has been elected. "I'm delighted and honoured to be elected Board Chair for Accoras" John shared with the Accoras team.

John brings a wealth of business acumen and passion to our rapidly growing organisation. His background and expertise in business and finance will be a valued asset and insight for the Board. John is well known in the business community; he has a passion for staff development and provides business performance and leadership coaching to a range of organisations.

John will fill the role from retiring Chair Dr Ilona Szabo, who will be remaining on the Accoras board as a Director. Over the last 7 years Ilona has provided invaluable support and guidance to the Accoras team. "She has played an instrumental role in setting the foundations for our organisation" Culverhouse acknowledged.

2019 has been a year of growth and development for Accoras within the community and our team. We look forward to having John's guidance as we continue to grow, expand and change more people's lives for the better.
